

"LE CODE DE LA ROUTE" THE HIGHWAY CODE

In the British Highway Code and on some road signs, you can read safety messages such as "No Entry" and "Road Narrows on Left".

Here are twelve road safety messages in French. In the space next to each of the road safety messages, write the number of the corresponding sign from the middle section.

A
Endroits
fréquentés par les
enfants

D
Passage pour
plétons

G

par la gauche

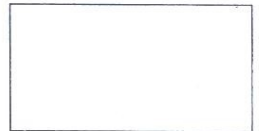

In France as in Britain, road signs which give a warning are triangular. In the spaces next to the French warnings below, make your own drawing of a triangular road sign to convey your message. These are all international road signs which also appear in the British Highway Code but you may use your imagination to make up appropriate triangular signs if you prefer.

I
Descente dangereuse

IV
Passage d'animaux
domestiques

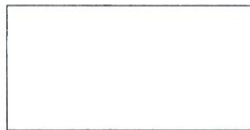

II
Traversée d'une aire de
danger aérien

V
Passage d'animaux
sauvages

III
Passage de cavaliers

VI
