

Dear Parent, Guardian

Pre-Driver Day at Mallory Park

Leicestershire County Council Road Safety Education Team is offering year 11/12 students, who are 16/17 and **have not yet started to drive**, the opportunity to take part in a Pre-Driver Day aimed at young people who are interested in learning to drive.

The course offers a variety of workshops highlighting key issues faced by young and inexperienced drivers. The day will include an introduction to driving, issues relating to speed, hazards, highway code and also a practical off road driving session using the Mallory Park track and paddock area accompanied by a qualified driving instructor in a dual controlled car.

If your son / daughter would like to enrol on the course, please complete and return the attached application form with a cheque for **£35 payable to Leicestershire County Council** (non refundable) and return it to me as soon as possible. Confirmation of the day will be forwarded to you in due course, ideally by email.

Please see following sheets for further information.

Please be advised places are limited and will be offered on a first come first served basis

Yours sincerely,

Julie Barradale

Footnote to parents.

We are often asked if parents can stay and watch whilst the event is in progress. Unfortunately, this is not possible because there are other activities on the site which are out of our control. If you are travelling a fair distance then there are other amenities a short drive away. A good website to visit for information is <http://www.visithinckleyandbosworth.co.uk/> There is a printed booklet from the same source, available from tourist information sites.
